# Anti-TGFB1 antibody

**Cat. No.** ml262976

Package 25  $\mu$ l/100  $\mu$ l/200  $\mu$ l

**Storage** -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol

**Product overview** 

**Description** Anti-TGFB1 rabbit polyclonal antibody

Applications ELISA, IHC

Immunogen Synthetic peptide of human TGFB1

Reactivity Human, Mouse, Rat

Content 0.6 mg/ml Host species Rabbit

Ig classImmunogen-specific rabbit IgGPurificationAntigen affinity purification

**Target information** 

Symbol TGFB1

Full name transforming growth factor beta 1
Synonyms CED; LAP; DPD1; TGFB; TGFbeta

Swissprot P01137

### **Target Background**

This gene encodes a member of the transforming growth factor beta (TGFB) family of cytokines, which are multifunctional peptides that regulate proliferation, differentiation, adhesion, migration, and other functions in many cell types. Many cells have TGFB receptors, and the protein positively and negatively regulates many other growth factors. The secreted protein is cleaved into a latency-associated peptide (LAP) and a mature TGFB1 peptide, and is found in either a latent form composed of a TGFB1 homodimer, a LAP homodimer, and a latent TGFB1-binding protein, or in an active form composed of a TGFB1 homodimer. The mature peptide may also form heterodimers with other TGFB family members. This gene is frequently upregulated in tumor cells, and mutations in this gene result in Camurati-Engelmann disease.

# **Applications**

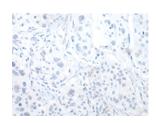

## **Immunohistochemistry**

Predicted cell location: Secreted

Positive control: Human esophagus cancer

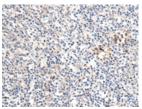

Recommended dilution: 25-100

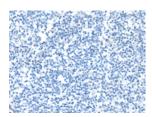

The image on the left is immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using ml262976(TGFB1 Antibody) at dilution 1/25, on the right is treated with synthetic peptide. (Original magnification: ×200)

Predicted cell location: Secreted Positive control: Human tonsil Recommended dilution: 25-100

The image on the left is immunohistochemistry of paraffin-embedded Human tonsil tissue using ml262976(TGFB1 Antibody) at dilution 1/25, on the right is treated with synthetic peptide. (Original magnification: ×200)

#### **ELISA**

Recommended dilution: 5000-10000
