

## Anti-TBX6 antibody

 Cat. No.
 ml120640

 Package
 25 μl/100 μl/200 μl

 Storage
 -20°C, pH7.4 PBS, 0.05% NaN3, 40% Glycerol

| Product overview   |                                      |         |
|--------------------|--------------------------------------|---------|
| Description        | Anti-TBX6 rabbit polyclonal antibody |         |
| Applications       | ELISA, IHC                           |         |
| Immunogen          | Fusion protein of human TBX6         |         |
| Reactivity         | Human, Mouse, Rat                    |         |
| Content            | 0.1 mg/ml                            |         |
| Host species       | Rabbit                               |         |
| lg class           | Immunogen-specific rabbit            | lgG     |
| Purification       | Antigen affinity purification        | - 45-4- |
| Target information |                                      |         |
| Symbol             | TBX6                                 |         |
| Full name          | T-box 6                              |         |

SCDO5

O95947

30000

## Target Background

Synonyms

Swissprot

This gene is a member of a phylogenetically conserved family of genes that share a common DNA-binding domain, the Tbox. T-box genes encode transcription factors involved in the regulation of developmental processes. Knockout studies in mice indicate that this gene is important for specification of paraxial mesoderm structures.

## Applications

Immunohistochemistry

Predicted cell location: Nucleus Positive control: Human thyroid cancer Recommended dilution: 25-100

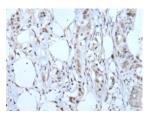

The image is immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using ml120640(TBX6 Antibody) at dilution 1/30. (Original magnification: ×200)

**ELISA** 

Recommended dilution: 2000-5000

Predicted cell location: Nucleus Positive control: Human colorectal cancer Recommended dilution: 25-100

The image is immunohistochemistry of paraffin-embedded Human colorectal cancer tissue using ml120640(TBX6 Antibody) at dilution 1/30. (Original magnification: ×200)
